Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 2 p.m. Tuesday, March 15, at the 4-H Building on the fairgrounds, Leoti, to consider the adoption of proposed changes in existing rules and regulations for the Western Kansas Groundwater Management District No. 1.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to Keith Lebbin, Manager, GMD #1, West Highway 96, P.O. Box 604, Scott City 67871, or to the Chief Engineer, Division of Water Resources, Kansas State Board of Agriculture, 901 S. Kansas Ave., 2nd Floor, Topeka 66612-1283. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

These regulations are proposed for adoption on a permanent basis. A summary of proposed regulations and their economic impact follows:

K.A.R. 5-21-1. Definitions. Definitions of "aquifer" and "unconsolidated aquifer" have been added. This addition is not expected to result in significant fiscal impact to water users or governmental agencies.

K.A.R. 5-21-3. Well spacing requirements. This regulation has been amended to require a minimum spacing for non-domestic wells of 2,640 feet. This regulation is not expected to result in a significant fiscal impact to governmental entities or to water users, unless it causes their application to be denied or modified.

K.A.R. 5-21-4. Aquifer depletion. This is a new regulation formally closing portions of the district to new appropriations, except for domestic and temporary permits, in all areas where the total saturated thickness of the Ogallala is less than 40 feet thick or has been depleted by 15 percent or more since 1950. In the rest of the district, the total amount of water rights and permits in a two-mile radius circle will be limited to an annual depletion of not more than 1 percent per year. This is not expected to result in a significant fiscal impact to governmental entities or to water users, unless it would cause an application to be denied or modified.

Copies of the regulations and their economic impact statements may be obtained from the Division of Water Resources, (913) 296-4623, or the Western Kansas Groundwater Management District No. 1, (316) 872-5563, at the addresses given above.

Notice of Proposed Permit Action

The Secretary of Health and Environment is proposing to issue an air emission source construction permit in accordance with K.A.R. 28-29-14 (permits required) to Natural Life Pet Products, Inc. to construct and operate a dry pet food plant at 1601 W. McKay in Frontenac.

Written materials, including the permit application and information relating to the application submitted by Natural Life Pet Foods, draft permit, permit summary and analysis by KDHE describing the basis for the proposed permit, are available for public inspection during normal business hours through February 25 by contacting Lynn Ranabarger, KDHE District Office, 1500 W. 7th, Chanute 66720. This material also can be reviewed at the KDHE office in Building 740, Forbes Field, Topeka. Questions concerning this proposed permit should be directed to Eugene Sallee, KDHE, (913) 296-1575.

K.S.A. 65-3008 provides that any person affected by the issuance of a permit can request a public hearing prior to the permit's issuance. The request must be in writing and addressed to the secretary. If the secretary determines there is sufficient reason in the request, a public hearing will be conducted—the place, date and time of the hearing will be announced in this publication. A request for a hearing or written comments on the proposed permit must be submitted to the Secretary, Kansas Department of Health and Environment, Landon State Office Building, 900 S.W. Jackson, Topeka 66612, before February 25.

Notice Concerning Kansas Water Pollution Control Permits

In accordance with state regulations 28-16-57 through 63, 28-18-1 through 4, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, tentative permits have been prepared for discharges to the waters of the United States and the state of Kansas for the applicants described below. The tentative determinations for permit content are based on preliminary staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency, and when issued will result in a state water pollution control permit and national pollutant discharge elimination system authorization to discharge subject to certain effluent limitations and special conditions.

Request for Variance from Hazardous Waste Regulations

The Kansas Department of Health and Environment is providing public notice that on January 11, 1994, KDHE submitted a request for renewal of a variance from specific hazardous waste regulations. The current variance expired on September 21, 1992. The request for a variance has been submitted in accordance with K.A.R. 28-31-13(a).

The variance is requested from K.A.R. 28-31-6(c) which requires minimum insurance requirements for transporters of hazardous waste. The variance also includes K.A.R. 28-31-10(d), which requires hazardous waste transporters to pay an annual monitoring fee.

KDHE is currently registered under K.A.R. 28-31-6 to transport hazardous waste. Since the state of Kansas is self insured, compliance with minimum insurance requirements would not provide any additional protection to the state or its citizens. In regards to the monitoring fee, it is not necessary to pay a fee to itself for monitoring activities.

KDHE has reviewed the variance request and concluded that the variance is justified. In accordance with K.A.R. 28-31-13(b), public notice is being provided of the tentative decision to grant renewal of the variance.

Copies of the variance request will be available for public review through February 18 from 8 a.m. to 4:30 p.m. weekdays at the KDHE, Building 740, Forbes Field, Topeka.

Comments concerning this variance request may be directed to Candy Williamson, Kansas Department of Health and Environment, Bureau of Waste Management, Hazardous Waste Section, Building 740, Forbes Field, Topeka 66620. Comments must be submitted in writing prior to February 18. Requests for additional information may be made by contacting KDHE at (913) 296-6898.

Upon written request of any interested person, a public meeting may be held to consider comments on this tentative decision. The person requesting a meeting shall state the issues to be raised and shall explain why written comments would not suffice to communicate the person's views. If a decision is made to conduct a public meeting, a separate public notice detailing the date and place of a public meeting will be

After evaluating all public comments, a final decision will be made by the secretary and a notice of the final decision will be published in the Kansas Register. If approved, any conditions or time limitations needed to comply with all applicable state or federal laws or to protect human health or safety or the environment will be specified by the secretary. A date upon which the variance will no longer be valid will be prescribed in the final decision.

The office of the Consumer Credit Commissioner will conduct a public hearing at 10 a.m. Tuesday, February 22, in Suite 1001, Jayhawk Tower, 700 S.W. Jackson, Topeka, on permanent regulation 75-6-6. All interested parties may present oral or written comments and shall be given reasonable opportunity to present their views or arguments on adoption of this regulation at the hearing.

The proposed amendment of the regulation states how time will be calculated for the computation of finance charges. There will be minimal or no economic

impact to the industry, consumer or agency.

Copies of the proposed regulation and the economic impact statement can be obtained from the office of the Consumer Credit Commissioner, Suite 1001, Jayhawk Tower, 700 S.W. Jackson, Topeka 66603, (913) 296-3151.

This 30-day notice constitutes a public comment period for the purpose of receiving written public comments on the proposed permanent regulation. Written comments may be submitted to the Consumer Credit Commissioner at the address above.

Notice of Call for Redemption City of Kechi, Kansas Waterworks Utility System Revenue Bonds Series 1981

The governing body of the city of Kechi, Kansas, has by Ordinance No. 325 adopted August 13, 1992, irrevocably called for redemption and payment prior to their respective maturities, pursuant to the provisions of Section 2 of Ordinance No. 151 of the city, adopted March 28, 1981, Bond Nos. 23 to 57, inclusive, of the city's Waterworks Utility System Revenue Bonds, Series 1981, dated as of March 1, 1981, which mature March 1, 1995, and thereafter, as hereinafter more specifically described. The date established for such redemption and payment, subject to any provisions and limitations set forth herein, is March 1, 1994 (the redemption date). The city has established an escrow trust account for the payment of the Series 1981 Bonds so called for redemption and payment on the redemption date.

The Series 1981 Bonds called for redemption and payment on the redemption date mature and bear in-

terest as follows:

Bond Numbers (Inclusive)	Maturity Date	Aggregate Principal Amount	Interest Rate
23 to 26	3-1-95	\$4,000	11.50%
27 to 30	3-1-96	4,000	11.50%
31 to 35	3-1-97	5,000	11.75%
36 to 40	3-1-98	5,000	11.75%
41 to 45	3-1-99	5,000	11.75%
46 to 51	3-1-00	6,000	12.00%
52 to 57	3-1-01	6,000	12.00%

The Series 1981 Bonds which have been called as described above shall become due and payable on the redemption date at a price (expressed as a percentage of the principal amount) of 103 percent, plus accrued interest for the six-month period from September 1, 1993, to the redemption date.

On the redemption date, provided that funds are on hand to pay the above described Series 1981 Bonds as aforesaid, the Series 1981 Bonds which have been called as described above will be due and payable at the Office of the Kansas State Treasurer, Topeka, Kansas, the paying agent; and from and after the redemption date, all interest on the Series 1981 Bonds which have been called as described above will cease to accrue.

Under the provisions of the Interest and Dividend Tax Compliance Act of 1983, paying agents making payments of interest or principal on municipal securities may be obligated to withhold a 20 percent tax from remittances to individuals who have failed to furnish the paying agent with a valid taxpayer identification number. Owners of the above described Series 1981 Bonds who wish to avoid the imposition of the tax should submit certified taxpayer identification numbers when presenting Series 1981 Bonds for payment. Dated August 13, 1992.

Notice of Call for Redemption to the owners of City of Wichita, Kansas Industrial Revenue Bonds (Heart Thoughts, Inc.—Tenant) \$650,000 Series LXXXVI

Notice is hereby given that the following bond numbers 68, 73, 76, 83, 93, 102, 119, and 128, Cusip No. 967257BY1, maturing March 1, 1999, have been called for redemption and payment on March 1, 1994 (the redemption date), at the principal corporate trust office of the Southwest National Bank of Wichita, P.O. Box 1401, 400 E. Douglas, Wichita, KS 67201 (the paying agent).

On such redemption date there shall become due and payable, upon the presentation and surrender of each such bond, the redemption price thereof equal to the principal amount of each bond together with interest accrued to the redemption date. Interest shall cease to accrue on the bonds so called for redemption

from and after March 1, 1994.

Under the provisions of the Interest and Dividend Tax Compliance Act of 1983, paying agents making payments of interest or principal on corporate securities or making payments of principal on municipal securities may be obligated to withhold a 31 percent tax from remittances to individuals who have failed to furnish the paying agent with a valid taxpayer identification number. Holders of the bonds who wish to avoid the imposition of the tax should submit certified taxpayer identification numbers when presenting the bonds for payment.

Dated January 5, 1993.

Summary Notice of Bond Sale \$4,700,000 General Obligation Bonds, Series 735 of the City of Wichita, Kansas (General obligation bonds payable from unlimited ad valorem taxes)

Subject to the terms and conditions of the complete official notice of bond sale dated January 11, 1994, of the city of Wichita, Kansas, in connection with the city's hereinafter described General Obligation Bonds, Series 735, sealed, written bids for the purchase of said series of bonds shall be received at the Office of the Mayor, First Floor, City Hall, 455 N. Main, Wichita, Kansas, until 10:30 a.m. Central Time on Tuesday, February 1, 1994. All bids shall be publicly opened and read aloud on said date and at said time and place.

The bids will be considered and the bonds will be awarded by the city council in the city council chambers, City Hall, at 11:30 a.m. on February 1, 1994.

No oral or auction bid for the bonds shall be considered; no bid for less than the entire principal amount of the bonds shall be considered. Bids will be accepted only on the official bid form which has been prepared for this series of bonds, and which may be obtained from the office of the director of finance. Bids may be submitted by mail or may be delivered in person, but must be received at the place and no later than the date and time hereinbefore specified. Each bid shall be accompanied by a good faith deposit in the form of a certified or cashier's check drawn on a bank located within the United States and made payable to the order of the city, or in the form of a financial surety bond payable to the order of the city and meeting requirements therefor as set forth in the official notice of bond sale, and shall be in an amount equal to 2 percent of the principal amount of the bonds.

Description of the Bonds

The bonds shall be issued as fully registered bonds in denominations of \$5,000, or any integral multiple thereof not exceeding the principal amount maturing in each year. The bonds shall bear a dated date of February 1, 1994, and shall bear interest at the rates specified by the successful bidder. The bonds will be issued in the aggregate principal amount of \$4,700,000; interest thereon shall be payable semiannually on March 1 and September 1 of each year, commencing March 1, 1995; and the bonds shall mature serially on September 1 in each of the years and principal amounts as follows:

Paying Agent and Bond Registrar; Payment of Principal and Interest

The Chase Manhattan Bank, N.A., New York, New York, shall serve as bond registrar and paying agent for the bonds. Interest will be payable by check or draft of the paying agent mailed to the registered owners of the bonds. Principal will be payable upon surrender of bonds to the paying agent.

Redemption

Certain of the bonds are subject to redemption as set forth in the official notice of bond sale.

Delivery

The bonds, duly printed, executed and registered, shall be delivered at the expense of the city to the successful bidder on or about February 24, 1994. (Reference is made to the official notice of bond sale and the city's preliminary official statement.)

Legal Opinion

Hinkle, Eberhart & Elkouri, L.L.C., Wichita, Kansas. All fees and expenses of bond counsel shall be paid by the city. (Reference is made to the official notice of bond sale and the city's preliminary official statement.)

Security

The bonds and the interest thereon constitute general obligations of the city, and the full faith, credit and resources of the city will be pledged to the payment thereof. (Reference is made to the official notice of bond sale and the city's preliminary official statement.)

Ratings

The city's outstanding general obligation bonds issued since 1975 have been rated "Aa" by Moody's Investors Service, Inc. and "AA" by Standard & Poor's Corporation. The city has applied to both of said rating services for ratings on the bonds described herein.

Financial Matters

The city's equalized assessed tangible valuation for computation of bonded debt limitations is \$1,512,479,545. The total outstanding general obligation bonded indebtedness of the city, at February 1, 1994, will be \$297,895,000. This amount does not include the within described bonds.

Official Statement

The city has authorized and directed preparation of a preliminary official statement dated January 11, 1994, in connection with the bonds. Said preliminary official statement is in a form "deemed final" by the city for purposes of the Securities Exchange Commission's Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in the final official statement. Not later than seven business days after the date of the sale of the bonds, the city shall furnish the successful bidder with a reasonable number of copies of the final official statement, without cost.

Additional Information

Copies of the official notice of bond sale, official bid form and preliminary official statement may be obtained from the city's Department of Finance, City Hall, 13th Floor, 455 N. Main, Wichita, KS 67202-1679; Allen Bell, Financial Projects Director, (316) 267-4434.

State of Kansas

State Corporation Commission

Notice of Hearing

The State Corporation Commission received an application December 22, 1993, from the Burlington Northern Railroad Company to discontinue its railraod agency station at Lenexa, Kansas, by serving its consignees and consignors through its Customer Service Center in Kansas City, Missouri.

The commission will conduct a formal hearing on the issues of this application to determine if the discontinuance of agency service is warranted and to allow interested shippers, persons or groups to voice their concerns or opposition to the change in service proposed by the applicant.

The hearing will be at 10 a.m. Thursday, February 24, at the Holiday Inn Holidome, 12601 W. 95th, Lenexa.

The commission also will accept written comments from interested shippers, persons or groups concerning the discontinuance of this agency station. Comments should reference Docket Number 189,692-R and be addressed to the Office of Public Affairs, State Corporation Commission, 1500 S.W. Arrowhead Road, Topeka 66604-4027, 1-800-662-0027, on or before February 14. Comments also should be sent to the attorney for applicant, Donald E. Ransom, 6227 Bluff Forest, St. Louis, MO 63129.

Your attention is invited to Kansas Administrative Regulation 82-1-228, "Rules of Practice and Procedure Before the Commission." Anyone needing special accommodations shall give notice to the commission 10 days prior to the scheduled hearing date.

Department of Transportation

Notice to Consulting Engineers

The Kansas Department of Transportation is seeking qualified consultant engineering firms for construction inspection on an as-required basis. Prequalified consultant engineering firms will provide services on a time and materials plus percentage fee contract. Work will include performance of construction inspection on projects prescribed by KDOT on an as-required basis in KDOT geographical Districts 2, 4 and 5.

Work will be authorized by work order and charges to authorized KDOT projects. The minimum call-out time would be for one week of work. The minimum

notice will be one week in advance.

Consultants hired through this request will be in addition to firms already under contract to provide this same service. Projected workload for these districts will require KDOT the ability to hire additional construction inspection resources. If your firm is already under contract for these districts, your response to this request is not needed.

Responses from consultant engineering firms that wish to be considered must be received by February 3. Seven signed copies of responses must be mailed to Al Cathcart, P.E., Project Control Engineer, Office of Engineering Support, Kansas Department of Transportation, Docking State Office Building, 7th Floor, Topeka 66612.

From firms expressing interest, KDOT will select a list of the most highly qualified and invite them to attend a preproposal conference. Firms not selected will be notified by letter. A Negotiating Committee, appointed by the Secretary of Transportation, will conduct discussions with firms on the most qualified list and select one or more firms with which to negotiate a contract. After final contracts have been awarded the remaining firms will be notified by letter.

It is the policy of KDOT to use the following criteria as the basis for selection of consultant engineering firms:

1. Size and professional qualifications.

2. Experience of staff.

3. Location of firm with respect to proposed project.

4. Work load of firm.

5. Firm's performance record.

Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment, and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone because of race, age, religion, color, sex, handicap, or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of the affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the KDOT district office responsible for the work.

- **56-3-2.** Nuclear safety emergency preparedness fee fund. (a) Each producer shall pay an annual fee to the adjutant general to cover the costs incurred by state and local government agencies to establish, maintain, and implement appropriate emergency preparedness plans and programs required to respond to an emergency at a nuclear facility. The fee shall include the costs of administering this act.

(b) Fee payments shall be made in accordance with

the following requirements.

(1) The annual fee payment shall equal the total annual fee approved by the adjutant general pursuant to K.A.R. 56-3-5 as determined to apply to any specific nuclear facility.

(2) On or before June 1 of the fiscal year preceding the fiscal year for which the fee applies, the producer

(continued)

shall be notified by the adjutant general of the amount of the annual fee.

- (3) Fee payment shall be made within 30 days of receipt of written notification from the adjutant general of the annual fee, or by July 1, whichever date is earlier.
- (4) The fee payment shall be made by check, draft, money order, or electronic means payable to the adjutant general. (Authorized by and implementing L. 1993, Chap. 113, Sec. 3; effective, T-____; effective March 7, 1994.)
- **56-3-3.** Disbursements. Any state or local government agency that incurs expenses related to nuclear emergency preparedness may apply to the adjutant general for disbursements to pay for expenses subject to the following limitations.

(a) Each request for disbursement shall comply with

the procedural requirements of K.A.R. 56-3-4.

- (b) Expenses for which disbursement is sought shall be related to the responsibilities assigned to a particular state or local government agency by the state of Kansas emergency operations plan, including annexes and appendices, or county emergency operations plans for emergency actions in the event of an emergency at a nuclear facility.
- (c) Expenses eligible for disbursement may include

all reasonable costs associated with:

(1) salaries of state or local government agency personnel for time spent on nuclear emergency preparedness planning, exercises, drills, or training;

(2) nuclear emergency training including per diem, lodging, transportation, facility use fees, and training

costs;

- (3) documenting, printing, and copying nuclear emergency preparedness planning and training materials;
- (4) direct expenditures incurred while participating in nuclear emergency exercises and drills;
- (5) capital equipment used for nuclear emergency training or implementation of nuclear emergency plans including the costs of operating, calibrating, and maintaining the equipment; and
- (6) other activities approved by the adjutant general as necessary to develop, maintain and implement an effective nuclear emergency plan, or for the effective
- administration of the act.
- (d) The following costs shall not be eligible for disbursement from the fund:
- (1) costs anticipated to be recovered from sources other than the fund including, but not limited to, other agreements with nuclear facilities and grants or contracts with state or federal agencies;

(2) costs of services identified by the adjutant gen-

eral as unnecessarily duplicative;

(3) other costs identified by the adjutant general as unrelated to the development, maintenance, or implementation of nuclear emergency preparedness plans or programs; and

(4) costs identified by the adjutant general as unnecessary to administer the act. (Authorized by and implementing L. 1993, Chap. 113, Sec. 3; effective, T-

_____; effective March 7, 1994.)

56-3-4. Requests for disbursement. Each state or local government agency requesting disbursement un-

der the provisions of K.A.R. 56-3-3 shall comply with the following requirements. (a) Each request for disbursement shall be submitted to KDEP not later than May 1 of the fiscal year preceding, by two years, the fiscal year for which disbursement is sought, except that requests for disbursement for expenses expected to be incurred during the fiscal year beginning July 1, 1994, shall be submitted not later than March 1, 1994.

(b) Each disbursement request shall contain the fol-

lowing information.

(1) There shall be a proposed budget summary of expenses for which disbursement is requested in a format consistent with the form and nomenclature used by the Kansas department of administration in preparation of the annual state of Kansas budget.

(A) Each line item shall state budget-specifically the

goods and services to be provided.

(B) The relationship to nuclear safety and emergency preparedness shall be clearly defined.

(2) There shall be a listing of positions for which

disbursement of salaries has been requested.

(A) For each position, a narrative description of the services to be provided shall accompany the request.

(B) The percent of time each position devotes to nuclear safety and emergency preparedness shall be indicated.

(3) There shall be a brief description of the intended use of any capital equipment proposed for purchase.

(4) There shall be a clear delineation of the specific nuclear facility to which expenses shall be allocated.

(c) Each state or local government agency requesting a disbursement shall include the request in that individual agency's or government's budget for consideration by appropriation authorities or as otherwise required by law. Before submission, budget requests to appropriation authorities shall be modified if an amendment or disapproval of any part of the disbursement request is received from the adjutant general.

(d) Each state and local government agency requesting disbursement shall notify the adjutant general of changes to original proposed budgets resulting from the passage of appropriation acts or other governmental action. The deadline for notification is May 1 of the fiscal year preceding the fiscal year to which

the budget applies.

(e) Moneys received from the fund by a state or local government agency, either directly or by interagency fund vouchers, shall be deposited into an account dedicated to the receipt and expenditure of fund moneys. Moneys remaining in this account at the end of the fiscal year for which the budget was approved shall be returned to the fund before the last business day of July of the following fiscal year. (Authorized by and implementing L. 1993, Chap. 113, Sec. 3; effective, T———; effective March 7, 1994.)

56-3-5. Notification of budget approvals. Each state and local government agency requesting disbursement, and each producer, shall be notified by the adjutant general of final approval of the annual fund budget according to the following schedule.

(a) On or before July 1 of the fiscal year preceding the fiscal year for which the budget is proposed, each state and local government agency requesting disbursement, and each producer, shall receive written notice from the adjutant general of the total proposed

fund budget.

(b) Within 15 days of receipt of written notification of the proposed fund budget, any affected person, agency, or government may provide comment on the proposed budget to the adjutant general for consideration during the preparation of the final fund budget.

(c) On or before August 30 of the fiscal year preceding the fiscal year for which the budget is proposed, each state and local government agency requesting disbursement, and each producer, shall receive notice of final budget approval from the adjutant general, except as provided in subsection (e) of this regulation.

(d) For each fiscal year, except as provided in subsection (e) of this regulation, the final budget approved by the adjutant general shall establish the total annual fee for each nuclear facility affected under the provi-

sion of K.A.R. 56-3-2.

(e) Any appropriation act or other government action taken after September 15 of the fiscal year preceding the fiscal year for which the budget is proposed may change the annual fee. If this occurs, each producer shall receive written notice from the adjutant

general before the due date of fee payment.

- (f) Each state and local government agency requesting disbursement for expenses to be incurred during the fiscal year beginning July 1, 1994, and each producer subject to fee liability for the fiscal year beginning July 1, 1994, shall receive written notice from the adjutant general of the total fund budget proposed not later than March 1, 1994. Notice of final fund budget approval for the fiscal year beginning July 1, 1994, shall be provided to each affected party within 30 days of the close of the comment period authorized by subsection (b) of this regulation. (Authorized by and implementing L. 1993, Chap. 113, Sec. 3; effective, T-_____; effective March 7, 1994.)
- **56-3-6.** Direct reimbursement. (a) Any state or local government agency incurring unanticipated expenses that could not have been reasonably foreseen and included in budget requests may seek direct reimbursement from the adjutant general.

(b) Each of these requests shall be considered and

acted upon in a timely manner if:

(1) The expenses for which direct reimbursement is sought would have been eligible for prior disbursement under the provisions of K.A.R. 56-3-3;

(2) adequate moneys are available in the fund; and

(3) reimbursement of these expenses will not violate any expenditure limitations imposed upon fund

expenses.

(c) The expenses for which direct reimbursement is sought shall be approved by the adjutant general before the actual expenditure of funds by the state or local government agency. (Authorized by and implementing L. 1993, Chap. 113, Sec. 3, effective, T-____; effective March 7, 1994.)

Board of Agriculture Division of Water Resources

Permanent Administrative Regulations

Article 22.—EQUUS BEDS GROUNDWATER MANAGEMENT DISTRICT NO. 2

5-22-1. Definitions. As used in these rules and regulations, the following words and phrases shall have the meaning ascribed to them in this section.

(a) "Aquifer" means any geologic formation capable of yielding water in sufficient quantities that it can be

diverted for beneficial use.

(b) "Battery of wells" is considered one point of diversion and means either:

(1) a group of two or more wells which:

(A) withdraws water from the same local source of supply;

(B) is connected to a common pump by a manifold

or piping; and

- (C) supplies water to a common distribution system;
- (2) a group of not more than four wells which:
- (A) withdraws water from the same local source of supply;

(B) is located within a 300-foot-radius circle;

- (C) supplies water to a common distribution system;
- (D) does not exceed a combined capacity of 800 gallons per minute; and

(E) has an individual pump installed in each well with a maximum capacity of 400 gallons per minute.

(c) "Board" means the board of directors constituting the governing body of the Equus Beds ground-

water management district no. 2.

(d) "Completed substantially as shown on an aerial photograph, topographic map or plat" means within 300 feet of the location as shown, plotted or described on an application, aerial photograph, topographic map or plat.

(e) "Confined aquifer" means:

(continued)

- (1) an aquifer overlain and underlain by impermeable layers; or
- (2) an aquifer in which the groundwater is under pressure greater than atmospheric pressure and which will rise in a well above the point at which it is first encountered.
- (f) "District" means the Equus Beds groundwater management district no. 2.

(g) "Groundwater" means water below the surface of the earth.

(h) "Point of diversion" means the point at which water is diverted or withdrawn from a source of water supply.

(i) "Primary well" means a well equipped with a flow meter for which a standby well is available.

(j) "Standby well" means a well which:

(1) is used to provide water for:

(A) fire protection;

(B) emergency purposes; or

- (C) periods of primary well mechanical failure, maintenance or power failure;
 - (2) is maintained in good operating condition;
- (3) withdraws water from the same source of supply as the primary well;
 - (4) is located within 300 feet of the primary well;
- (5) is limited to the same rate and quantity authorized by the primary well's appropriation or vested right;

(6) is equipped with a flow meter; and

- (7) is operated only when water is temporarily unavailable from the primary well or wells, except when water is needed for fire protection or a similar type of emergency.
- (k) "Surface water" means water in creeks, rivers or other water courses, and in reservoirs, lakes and ponds.
- (l) "Unconfined aquifer" means an aquifer with a water table at atmospheric pressure.
 - (m) "Waste of water" means:
- (1) groundwater which has been diverted or withdrawn from a source of supply which is not used or reapplied to a beneficial use on or in connection with land authorized as the place of use by a vested right, an appropriation right, term permit, or an approved application for permit to appropriate water for beneficial use;
- (2) any act or omission causing the unreasonable deterioration of the quality of water in any source of supply thereby causing impairment of a person's right to the use of water;
- (3) groundwater used for irrigation that an irrigator allows to escape and drain from the authorized place of use; or
- (4) water applied to an authorized beneficial use in excess of the needs for such use.
- (n) "Water table" means the top or surface of an unconfined or confined aquifer at which the pore water pressure is atmospheric.
- (o) "Well" means any excavation that is drilled, cored, bored, washed, driven, dug, or otherwise constructed when the intended use of such excavation is for the acquisition, diversion, or artificial recharge of groundwater.

- (p) "Baseflow" means groundwater that seeps, flows or is otherwise naturally discharged from an aquifer into a stream.
- (q) "Baseflow allocation" means the annual quantity of water assigned to a baseflow node expressed in acrefeet per calendar year. The natural discharge to the stream shall be assumed to be equivalent to the rate of flow in the stream that is equalled or exceeded 90% of the time.
- (r) "Baseflow node" means an artificial point located in the channel of a water course for the purpose of allocating a proportional amount of the baseflow to be considered when evaluating a new application to appropriate water with a proposed point of diversion located within 2 miles of the node.

(s) "Safe-yield" means the total quantity of groundwater:

(1) that can be artificially withdrawn from an aquifer; and

(2) which naturally discharges to a stream without exceeding the aquifer recharge value for the area of consideration nor impairing the water rights diverting from the aquifer.

(t) "Stream" means any water course which has a well defined bed and banks, and flows continuously during the calendar year, except during periods of drought. (Authorized by K.S.A. 82a-1028(o); implementing K.S.A. 82a-1028(n); effective May 1, 1979; amended Oct. 15, 1990; amended March 7, 1994.)

5-22-2. Well spacing. (a) Except as set forth in subsection (e), the minimum spacing of all non-domestic and non-temporary wells described in an application for permit to appropriate water for beneficial use, term permit, or application to change the point of diversion shall be 1,320 feet from all non-domestic wells and baseflow nodes and 660 feet from all domestic wells.

(b) The minimum spacing of all non-domestic and nontemporary wells from all domestic wells may be less than 660 feet if the domestic well owner has granted written permission to reduce the spacing interval.

(c) To determine the spacing interval from a proposed battery of wells to existing points of diversions, a 300-foot-radius circle shall be drawn around the centroid for the battery of wells. The minimum spacing distance shall be measured from the point on the circle's perimeter nearest the existing point of diversion.

(d) To determine the spacing interval for an excavation intercepting the water table, the geographical center described on the application shall be considered the point of diversion. The minimum spacing distance shall be measured from the described geographical center.

(e) Standby wells shall not be subject to this well-spacing regulation. (Authorized by K.S.A. 82a-1028(o); implementing K.S.A. 82a-1028(n); effective May 1, 1979; amended Oct. 15, 1990; amended March 7, 1994.)

5-22-7. Safe-yield. (a) Except as set forth in subsection (b), the approval of each application for a change in the point of diversion, term permit, and permit to appropriate water for beneficial use shall be subject to the following criteria.

(1) The sum of prior appropriations, including the proposed application, vested rights, appropriation rights, term permits and earlier priority applications and baseflow nodes, shall not exceed the allowable safe-yield amount for the area under consideration.

(2) The quantity authorized on all prior permits, certificates, and vested rights and the quantity requested on prior applications and allocated to baseflow nodes shall be used to calculate the sum of prior appropri-

ations and baseflow allocations.

(3) All conditions and limitation clauses listed on all prior appropriations and applications in the area of consideration shall be considered in effect.

(4) The baseflow allocation for baseflow nodes shall be calculated using the formula Qa = T/N where:

(A) Qa is the baseflow allocation per baseflow node

in acre-feet per year;

- (B) T is the total baseflow allocation for a reach of a stream in acre-feet per calendar year. T is the average of the twelve calendar months' daily flow values in cubic feet per second that were equaled or exceeded percent of the time during a specifically designated hydrologically significant period of record times a factor of 724; and
- (C) N is the number of baseflow nodes established on a stream or reach of a stream. Nodes are located at the upstream end of the water course reach and thereafter at the intersection of the channel of a water course and an arc of a 1,320 feet radius circle whose center is located on the previously established baseflow
- (5) The allowable safe-yield amount shall be calculated using the formula $S = A \times K$ where:

(A) S is the allowable safe-yield amount in acre-feet

(B) A is the area of consideration which consists of the two-mile-radius circle whose center is the location of the proposed well. A equals 8,042 acres minus the area of the circle that is either outside the district boundary or inside an intensive groundwater use con-

trol area having a declining water table; and (C) K is an aquifer recharge value in feet. Every-

where in the district, except in McPherson county, it is equal to 0.5 feet per year. In McPherson county K is a constant equaling 0.25 feet per year. K is calculated by multiplying the recharge percentage, which is 10 percent in McPherson county and 20 percent for the rest of the district, times the average annual precipitation of 2.5 feet per year.

(6) When evaluating an application for a change in the point of diversion, each application with a priority earlier than the priority established by the filing of the application of change shall be included in the safe-

yield analysis.

(7) If the perimeter of the area under consideration intersects a group of wells authorized under prior applications, permits, certificates or vested rights, a reasonable quantity of water shall be assigned to each well based upon the best available information.

(8) The center of the area under consideration may be moved around the proposed well location within a

300-foot radius.

(b) The following applications shall not be subject to this safe-yield regulation:

(1) an application to appropriate groundwater for domestic use, as defined by K.S.A. 82a-701(c), for 25 acre-feet or less per calendar year;

(2) an application for a temporary permit;

3) an application for change in point of diversion, if the diversion works were completed and a notice and proof was timely filed with the chief engineer under the original approval of application;

(4) an application requesting only an additional rate of diversion on an existing well, if the approval of the

application:

(A) is limited to the quantity authorized by an existing certified, vested or appropriation right; and

(B) contains a condition that the approved application for additional rate shall be dismissed if the existing certified, vested or appropriation right is dismissed and terminated; and

(5) an application for a standby well. (Authorized by K.S.A. 82a-1028(o); implementing K.S.A. 82a-1028(n); effective May 1, 1983; amended Oct. 15, 1990;

amended March 7, 1994.)

5-22-8. Change applications. (a) Except as set forth in subsection (c), the approval of each application for a change in point of diversion for a vested right, appropriation right, permit, term permit, or an application to appropriate groundwater shall be subject to the following criteria:

(1) The maximum distance a replacement well can be located from the originally authorized location shall

be 2,640 feet.

(2) A replacement well located more than 300 feet from the originally authorized location shall comply

with the provisions of K.A.R. 5-22-2.

(3) An application for a change in point of diversion shall be accompanied by either a completed abandoned-well or inactive-well agreement wherein the original well shall no longer be authorized by any other vested right, appropriation right, approval of application or term permit. The applicant shall submit a completed agreement on forms provided by the district.

(4) Each well described in the application shall be equipped with a district-approved water meter.

(b) The approval of each change in place of use application for a vested right, appropriation right, approval of application and term permit shall have a condition that a district approved water meter be installed on each well described in the application if the authorized quantity, when divided by the acreage requested in the proposed place of use, is less than 1.5 acre-feet per year.

(c) Applications for domestic use and temporary permits shall not be subject to this regulation. (Authorized by K.S.A. 82a-1028(o); implementing K.S.A. 82a-1028(n); effective Oct. 15, 1990; amended March 7,

We are pleased to announce that custom-made *Kansas Register* binders are now available!

These binders will hold your copies of the *Kansas Register* attractively for permanent use. They are highest quality, durable, casebound Swing Hinge® binders made by McBee Loose Leaf Binder Products. (A Swing Hinge® binder has more capacity and allows for easier interfiling than standard ring binders.) They feature dark blue cloth covering and gold imprinting. Each three-inch binder will hold up to a year's worth of *Register* issues.

Order your binders today!
